Dear Mr Bryan:

We are in receipt of your application for an exemption number for qualified purchases. We are assigning Agricultural Exemption Number 137920 to be used for purchasing tangible personal property exempt from tax based on your status as a purchaser and the intended use of the property. This letter should be retained for future reference. The perforated card bearing your exemption number at the bottom of this letter can be detached for your convenience.

This exemption number should be used in conjunction with Form E-595E, Streamlined Sales and Use Tax Agreement Certificate of Exemption. This exemption certificate authorizes a retailer to sell tangible personal property to the holder of the certificate and not collect tax on the sale. A person who purchases tangible personal property under an exemption certificate is liable for any tax due on the sale if the Department determines that the person is not eligible for the certificate or the property was not used as intended.

Sales and Use Tax Directive SD-04-1 provides information on use of the exemption certificate and is available on the Department's website at www.dorn.com or by calling the Department's Forms Line at telephone number 1-877-252-3052.

If you have questions regarding the use of the exemption number or certificate, please advise.

Very truly yours,

Ed Strickland
